AWARD

The Government of India, Ministry of Labour and Employment, by their No. 6/11/62-LRII, dated 22nd November, 1962, have referred the industrial dispute existing between the employers in relation to the Rana Colliery of Lodhna Colliery Co. (1920) Limited, Sripur Colliery and their workmen, in respect of the question whether the order dated 24th May, 1962 dismissing from service Shri Dipankar Chatterjee, Welder Helper of Rana Colliery with retrospective effect, viz., from 12th April, 1962, was lawful and if not, to what relief he was entitled, for adjudication to this Tribunal.

AWARD

These six Complaints under Section 33A—Nos 30, 32, 36, 51, 55 and 56 of 1962—and, their six corresponding Applications under the Proviso to sub-section 2(b) of Section 33 of the Industrial Disputes Act, 1947, made by the management—Nos. 238, 232, 237, 246, 264 and 263 of 1962—have all been heard together, with the consent of the parties, as common questions are involved in these cases, and, therefore, this judgement will govern them all

2 In all these cases the workmen concerned have been discharged for irregular attendance and absence without leave or permission and, therefore, they form one category of cases I will, however set out the facts of each of these six cases separately

Complaint No 30 and Application No. 238 of 1962 (Sangal Singh Hoe)

3 The complaint under Section 33A made by the workman concerned in respect of his discharge, and, the application, under the Proviso to sub-section 2(b) of Section 33 of the Act made by the management for permission of the Tribunal to the discharge of the workman concerned—Sangal Singh Hoe—with effect from 30th September 1962, were both made on the same date, i.e., 14th September 1962

The history of this workman concerned is as follows

He was appointed on 7th May 1956 (Exhibit M 10) He was suspended for 2 days on 24th November 1961, suspended again for 3 days on 9th December 1961; for another 3 days on 16th February 1962 and, finally given warning and 4 days' further suspension on 13th March 1962 (Exhibit M 13) Another final warning and 4 days suspension were awarded to him on 23rd May 1962 (Exhibit M 14). All these punishments were given for absence without leave or permission

On 16th August 1962 a charge sheet (Exhibit M. 1) was served on him to explain why he will not be discharged for habitual absenteeism which culminated in 4 days' absence in July 1962. He submitted his explanation on 22nd August 1962 to the said charge sheet in which he admitted his guilt but said that his son was suffering from fever in the month of July 1962 and therefore he could not attend to duty and as such asked to be excused (Exhibit M. 1). The management, thereafter, considered his explanation (Exhibit M. 1) and found it unsatisfactory, and, therefore, in view of his being a habitual offender of absenteeism and being given final warning and suspension on 13th March 1962 and 23rd May 1962, for similar offences, sent a letter, Exhibit M-9 to him informing him that he was being discharged with effect from 13th September, 1962.

Complaint No. 32 and Application No. 232 of 1962 (Perumal).

4. In this case, the complainant is *Perumal* and he made his complaint on 13-9-1962, whereas, the management made its application earlier on 10-9-1962 for permission of the Tribunal to the discharge of the workman concerned with effect from 4-9-1962.

The history of his case is as below:

He was appointed on 5-7-1960 and given warning on 25-10-1961 (Exhibit M.7). On 16-11-1961 he was warned and on 13-12-1961 he was suspended for 2 days and also warned (Exhibit M.6); on 13-2-1962 he was again warned and suspended for 2 days; and on 13-6-1962 final warning was given and he was suspended for 4 days also (Exhibit M.5). All these punishments given were for absence without leave or permission.

On 28-8-1962 a charge sheet was served on the workman to explain why he should not be discharged for habitual absenteeism on more than one occasion which culminated in 3 days' absence in July 1962 (Exhibit M.). The workman gave his explanation on 29-8-1962 (Exhibit M.) in which he admitted his guilt but gave no explanation for his absence and only pleaded for being excused this time (Exhibit M.). The management, after consideration of his explanation, Exhibit M. found it unsatisfactory and in view of his being a habitual offender of absenteeism and given a final warning and 4 days' suspension on 13-6-1962 for similar offence, found the workman guilty and sent a discharge order on 1-9-1962, Exhibit M.1, informing him that he had been discharged with effect from 4-9-1962.

Complaint No. 36 and Application No. 237 of 1962 (Mansa Goala)

5. In this case, the complainant made his complaint on 17th September, 1962, and, the company also earlier made an application for permission to the discharge of the workman on 14th September, 1962.

The history of his case is as below:

He was appointed on 20th August, 1955 and on 7th July, 1956 he was given first warning (Exhibit M.4). Another warning was given on 17th November, 1960 (Exhibit M.7). On 14th March, 1961, 13th April, 1961 and 11th May, 1961 again warnings were given, and was suspended on 12th June, 1961 and on 11th July 1961 (Exhibit M.8). He was again suspended on 21st August, 1961 and final warning and suspension were given on 7th December, 1961 (Exhibit M.9). On 19th February, 1962 again final warning and suspension were given, (Exhibit M.10). All these punishments were for absence without leave or permission.

On 11th July, 1962 he was charge sheeted and asked to show cause why he should not be discharged for habitual absenteeism on more than one occasion culminating in his absence for 3 days, in June, 1962. To this he submitted his explanation in which he admitted his guilt, but gave some explanation and prayed to be excused. These facts will appear from Exhibit M. The management, after consideration of the charge sheet and his explanation thereto, Exhibit M. and in view of his being a habitual offender of absenteeism and given a final warning and 4 days' suspension on 19th February, 1962 for similar offence, sent a letter (Exhibit M.1) informing him that he had been discharged from service with effect from 12th September, 1961, as his explanation for being absent without leave for 3 days in June, 1962 was not satisfactory.

Complaint No. 51 and Application No. 246 of 1962 (Mangal Manjhi)

6. In this case, the complaint was filed on 15th October, 1962, whereas, the management made an application for permission to the discharge of the workman earlier on 27th September, 1962.

The history of his case is as below:

He was appointed on 24th November, 1959 and given three warnings for absence without permission on 20th December, 1960, 15th February, 1961 and 25th April, 1961 (Exhibit M.7). Exhibit M.8 shows that he was given warning on 16th May, 1961 and again on 15th July, 1961, and was suspended three times on 17th August, 1961, 20th September, 1961 and 22nd November, 1961. Exhibit M.9 shows that he was suspended and final warning given twice on 19th February, 1962 and 23rd April, 1962. All these punishments were for absence without leave or permission.

On 12th September, 1962 a charge sheet (Exhibit M) was served on him to explain why he should not be discharged for habitual absenteeism on more than one occasion which culminated in his absence for 3 days on the 17th, 18th and 21st August, 1962. To this charge sheet he gave his reply, which will also appear from Exhibit M. In his explanation (Exhibit M) he admitted his guilt but gave an explanation and prayed to be excused and promised not to commit a mistake again. On consideration of the charge sheet and the reply (Exhibit M), the management found his explanation unsatisfactory and therefore in view of his being a habitual offender of absenteeism and given a final warning and 4 days' suspension on 23rd April, 1962 for similar offence, issued a letter, Exhibit M.1, informing the workman that he was discharged from the company's service with effect from 20th September, 1962.

Complaint No. 55 and Application No. 264 of 1962 (Kali Charan Ghosh)

7. In this case, the complaint was made on 29th October, 1962, whereas, the management made its application for according permission to the discharge of the workman with effect from 17th October, 1962, earlier on 24th October, 1962.

The history of his case will appear from his service Cards Exhibits M.7 to M.16 which is as below:

Exhibit M.16 shows that the workman was appointed on 25th July, 1955, and, thereafter, he was given three warnings on 26th September, 1955, 2nd February, 1956 and 5th March, 1956. Exhibit M.15 shows that he was given warning on 4th April, 1956, suspended on 3rd May, 1956 and given warning on 4th April, 1956. Exhibit M.14 shows that he was given warning three times, i.e. on 17th October, 1956, 4th December, 1956 and 4th January, 1957, and, thereafter, on 10th January, 1957, he was given final warning and awarded suspension. Exhibit M.13 shows that he was given warning on 4th February, 1957, 1st May, 1957 and 6th July, 1957 and suspension on 2nd August, 1957. Exhibit M.12 shows that he was again given warning on 3rd January, 1958, 5th April, 1958 and on 1st May, 1958. Exhibit M.11 shows that he was given warning on 3rd July, 1958 and suspended on 11th August, 1958. Exhibit M.10 shows that he was given warning on 11th January, 1960 and again on 12th July, 1960. Exhibit M.9 shows that he was given warning on 18th August, 1961 and again on 18th October, 1961. Exhibit M.8 shows that he was given a warning on 19th March, 1962. Exhibit M.7 shows that he was suspended on 20th April, 1962 and again on 12th May, 1962 and given suspension and final warning on 11th August, 1962. This workman is a sweeper. All these punishments were given for absence without leave or permission.

On 6th October, 1962 a charge sheet was served on him to explain why he should not be discharged for habitual absenteeism on more than one occasion which culminated in his absence for 4 days in September, 1962, to which he gave a reply on 8th October, 1962. These facts will appear from Exhibit M. In his explanation (Exhibit M) he admitted his guilt but gave explanation and prayed to be excused this time and assured that he would not commit similar offence in the future. On consideration of the charge sheet and his explanation, Exhibit M, the management found his explanation unsatisfactory and in view of his being a habitual offender of absenteeism and given a final warning and 4 days' suspension on 1st August, 1962 for similar offence, issued a letter on the 17th September, 1962, Exhibit M.1, informing him that his explanation had been found unsatisfactory, and, therefore, he is discharged from the company's service, under the relevant standing orders with effect from 17th October, 1962.

Complaint No. 56 and Application No. 263 of 1962 (Shyam Baskay)

8. In this case, the complaint was made on 29th October, 1962, and, the management earlier on 20th October, 1962, made an application for permission to the discharge of the workman with effect from September, 1962.

The history of his case, as appears from his Service Cards Exhibits M.8 to M.12, is as below:

Exhibit M shows that he was appointed on 14th August, 1959. Exhibit M. 8 shows that he was given a warning on 20th July, 1960. Exhibit M.9 shows that he was given warning on 12th April, 1961 and on 12th May, 1961 and on 21st June, 1961. Exhibit M.10 shows that he was given warning on 18th November, 1961 and again on 13th December, 1961 and that he was suspended on 12th January, 1962, 12th February, 1962, and 5th May, 1962. Exhibit M.11 shows that he was suspended on 13th June, 1962 and given final warning and suspension on 14th July, 1962. Exhibit M.12 shows that he was again given final warning and suspension on 18th October, 1962. All these punishments were for absence without leave or permission.

On 4th October, 1962 he was served with a charge sheet to explain why he should not be dismissed for habitual absenteeism on more than one occasion which culminated in 3 days' absence in August, 1962 (Exhibit M.). To this charge sheet he sent a reply, on 6th October, 1962 (Exhibit M.). In his explanation the workman admitted his guilt, but gave explanation and prayed to be granted leave for the days of his absence. The charge sheet and the reply both will appear from Exhibit M. After consideration of Exhibit M. the management found the explanation, unsatisfactory, and, therefore, in view of his being a habitual offender of absenteeism and given final warning and 4 days' suspension on 14th July, 1962 for similar offence, issued a letter on 15th September, 1962, Exhibit M.1, informing him that he had been discharged from the company's service with effect from 15th September, 1962.

9. Shri J. K. Ghosh, Advocate, appearing for the management contended that in all these cases, as will appear from the respective service cards of these workmen, they have absented themselves many a time without leave or permission, and, therefore, due to their habitual absenteeism it was no longer found possible for the management to retain them in the company's service and, accordingly in accordance with Standing Order No. 9 and No. 10 of the company, the services of these workmen were terminated, and, consequently, permission should be granted to the action of the management in discharging these six workmen concerned in these disputes. It was further contended by Sri Ghosh that the complaints were not maintainable, because there was no contravention of Section 33, and, as such, the workman concerned, without contravention of Section 33, had no right to make the complaints, in as much as, the management, had made applications under the Proviso to sub-section 2(b) of Section 33 of the Act for permission of the Tribunal to the discharge of these workmen.

10. Sri N. Das, Advocate, who appeared for all the workmen, however, contended that Section 33 of the Act had been contravened, because unless the discharge was in accordance with the Standing Order (Exhibit M in complaint 30 of 1962), the management had no right to make an application for approval by the Tribunal to the discharge of those workmen by it. He further argued that Standing Order 10 had not been followed, because it speaks of 'investigation', but, in the present case, no doubt, charge sheet was served and explanation was called for, but no investigation, however, was made, and, therefore, these discharges were illegal and void as being in contravention of Para 2 of Standing Order No. 10. These points have been taken in all these cases. It may, however, be mentioned that none of these complainants were present at the time of the hearing of their complaints.

11. Standing Order No. 10 deals with the procedure in dealing with offences. Its second paragraph provide that after the charge sheet and the explanation to it submitted by the workman, dismissal or discharge "shall not ordinarily be awarded without investigation and consideration of the explanation". The word 'investigation' has not been defined anywhere in the Standing Orders. But the question as to whether on the facts of a given case, the management can be said to have made investigation into the explanation of the workman concerned, as contemplated by standing order No. 10, will depend upon the facts of each case.

In the present cases, in my opinion, the explanations of the workmen concerned have been investigated by the management. In each case the workman concerned admitted his guilt, but tried to give some explanation justifying his absence. The absence of each of these workmen was irregular. The explanation were not accepted as satisfactory. It was open to the management to accept the explanation of any workman or not to accept. The management, only on a consideration of the service records of these workmen mentioned in the service cards of each workman which gave in detail the past service records of each workman, showing whether his work has been satisfactory; whether he has ever been charge sheeted before for his absence without leave or permission, and, if so, with what result and what punishment has been awarded to him therefor, took

action against each of them by discharging them from the company's services. In all these cases, as stated above, the workmen admitted their guilt, admitted being absent on the dates mentioned in the charge sheet without leave or permission, but only prayed for mercy. It was admitted, on behalf of the workmen, that whenever any workman was given a warning he was given a warning chit and this fact is mentioned also in the Service Cards of all these workmen. In this view of the matter, it cannot be said that Para 2 of the Standing Order No. 10 has not been complied with, and, therefore, discharges of these workmen cannot be said to be in contravention of the said Standing Orders, and, as such, the applications made by the management for permission of its action under the proviso to sub-section (2)(b) of section 33 are maintainable but the complaints made under Section 33A by the workmen are not maintainable, because there has been no contravention of Section 33 at all. I would, therefore, over-rule this first objection of the workmen.

12. As regards the second objection, on behalf of the workmen, that they could not be discharged because it had not been proved that the workmen had absented themselves for more than 3 or 4 occasions, and, therefore, a simple warning with suspension was enough, in my opinion, has also no substance. The material portion of Standing Order No. 9, on which reliance was placed by Sri N. Das, on behalf of the workmen, provides, at page 4 bottom, of Exhibit M, as follows:

"The ordinary procedure for less flagrant cases such as those detailed below will be as follows:—

| | |
|-------------|--|
| 1st offence | Warning on his Service Card. |
| 2nd offence | —do— —do— |
| 3rd offence | Warning with suspension on his Service Card. |
| 4th offence | Works Manager or Mines superintendent will exercise his discretion as to whether he impose a further period of suspension or recommends his dismissal to the General Manager." |

From the above it is plain that as the workmen concerned in each case committed much more than three or four offences, the punishment provided for the fourth offence was given. It authorises the management to exercise its discretion in case of the fourth offence as to whether the authority concerned will impose a further period of suspension or recommend his dismissal to the General Manager. This Standing Order No. 9 has been followed in each case and on the facts here it cannot be said that discretion had not been exercised properly.

The Service Cards of these workmen show that they have been absenting without leave or permission, not once, but more than half a dozen times. In this view, in my opinion, the punishment of discharge was quite proper and in accordance with the Standing Order No. 9.

13. I am, therefore, satisfied in the evidence adduced and on the facts here that the management made out a *prima facie* case in case of each of these six workmen for according approval to his discharge.

14. For the reasons given above, I would dismiss these six complaints of the workmen and allow the six applications of the management and accord permission to the discharge of these six workmen concerned in these cases. Each party will bear its own cost.

15. This is my award in the six complaints of the workmen which I make and submit to the Government of India under Section 1 of the Act.
